The parties stipulate, and request that the court Order, the following:

1. Mr. Foster, the accused in the above case, is currently scheduled for a status hearing on June 24, 2013 at 1:30 PM. By this stipulation and proposed Order, the parties are jointly requesting that the status hearing be continued one week, to July 1, 2013 at 1:30 PM.

1           2.       Counsel for Mr. Foster will not be available on the currently set status  
2 conference date, as he will be out of the state for a sentencing hearing in another  
3 jurisdiction. The government does not object to a one week continuance. The parties  
4 therefore request that the status conference be continued one week.

5           3.       For the above reasons, the parties respectfully request that the June 24  
6 status conference be continued until July 1, 2013, at 1:30 PM, and that the time from  
7 June 24, 2013 to July 1, 2013 be excluded under the speedy trial act for the effective  
8 preparation of counsel and for continuity of counsel.

9           Respectfully submitted,
